FEATURING: BLACKBIRDS  
AND FIGS.  
BIANCA STONE

This is a microscopic caress at a party  
that burns until 5am.

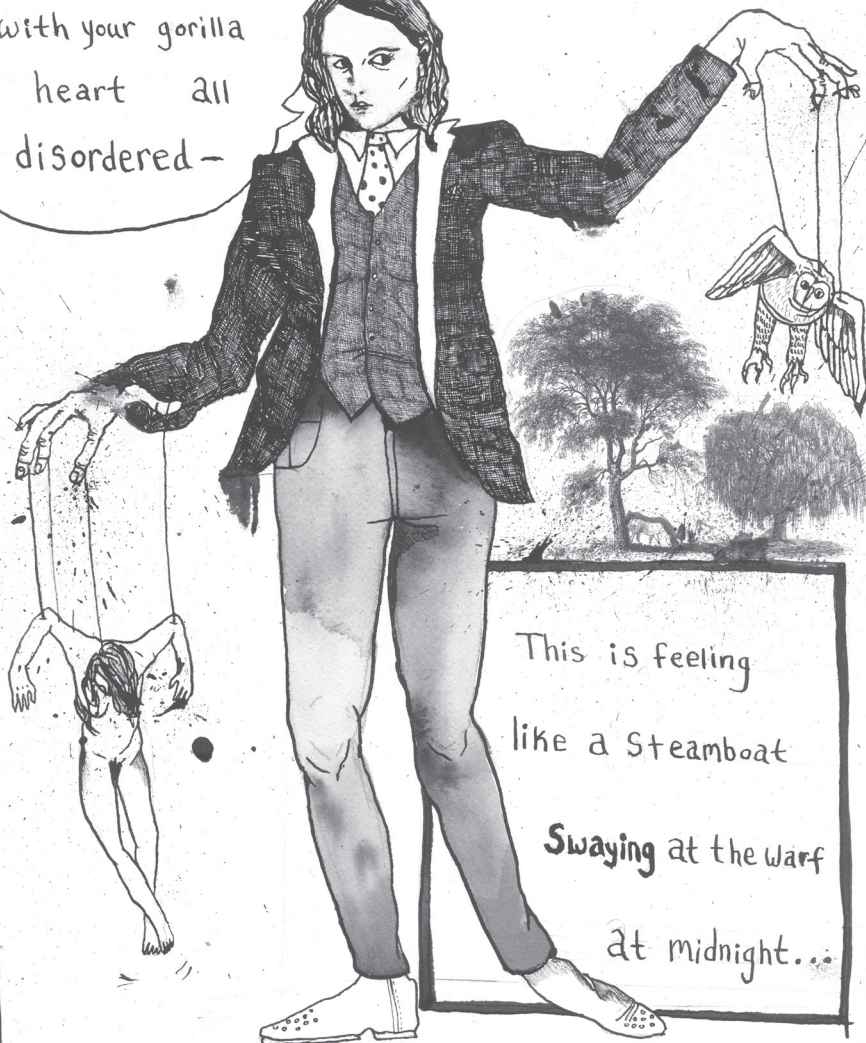

*this is the dead fathoming*

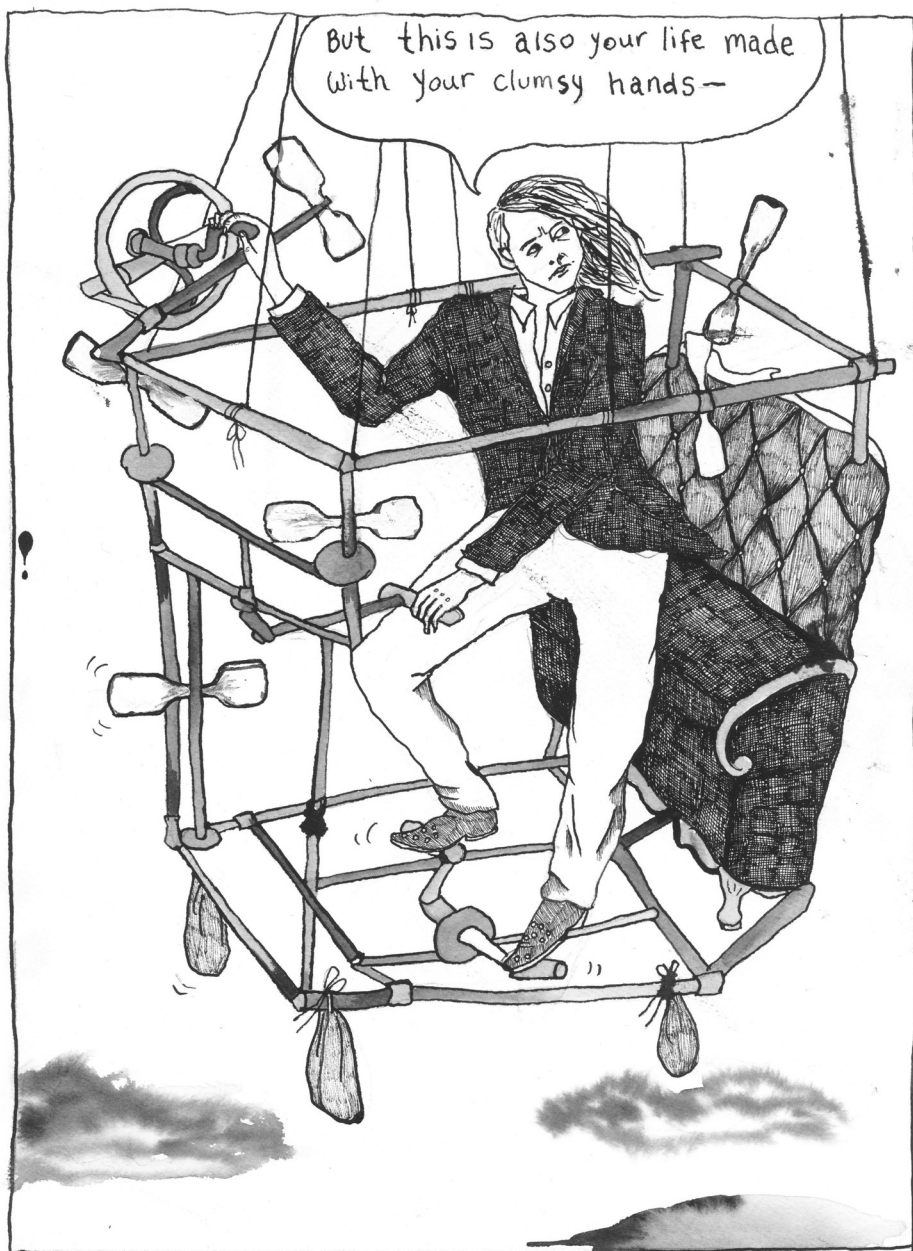

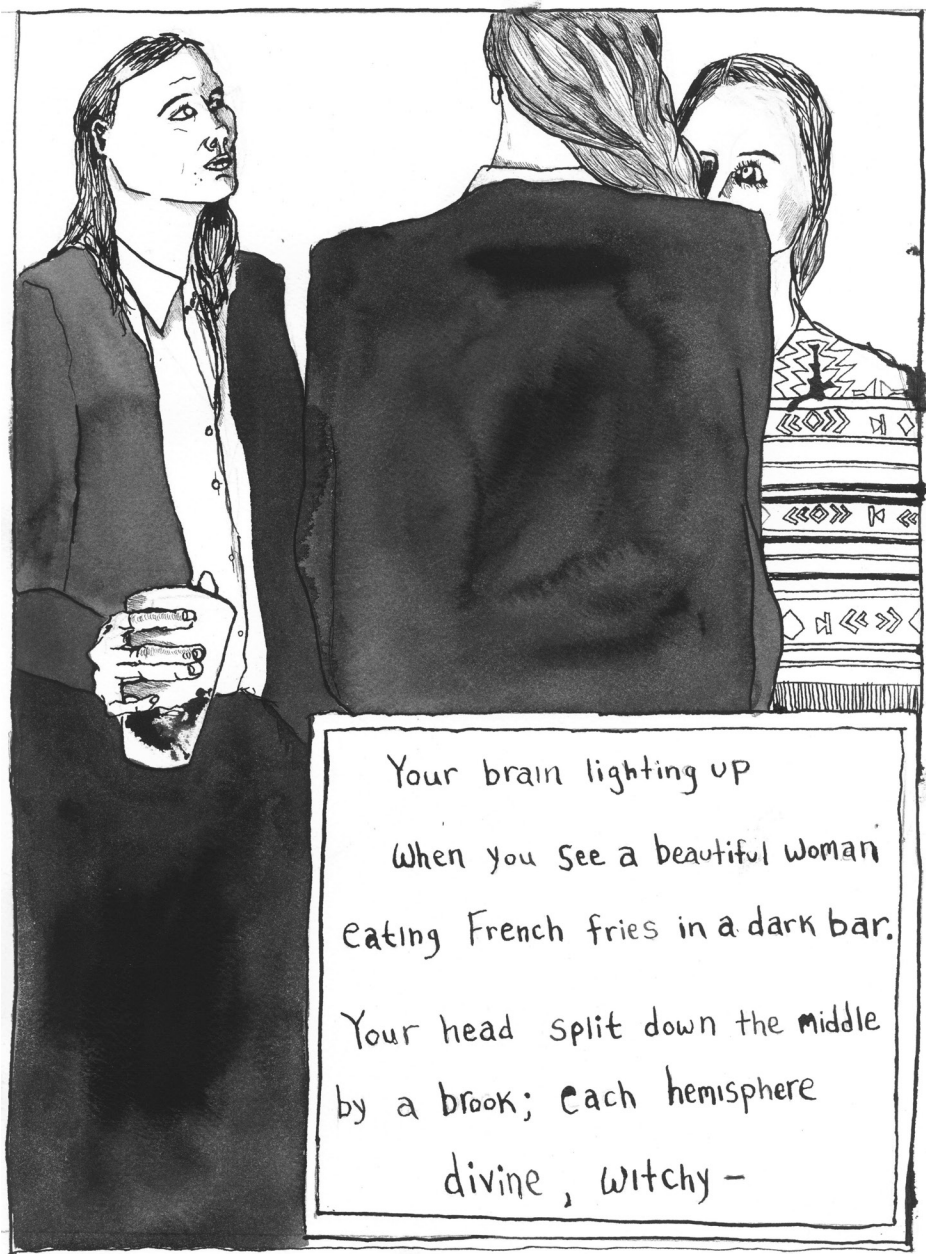

This is coming home  
with your gorilla  
heart all  
disordered -

This is feeling  
like a Steamboat  
Swaying at the wharf  
at midnight...

Your brain lighting up  
When you see a beautiful woman  
eating French fries in a dark bar.  
Your head split down the middle  
by a brook; each hemisphere  
divine, witchy -

This is starting a Sentence with:

I've never told  
Anyone this.
